In Re: Docket No. 2001-456-C: Approval of a Master Interconnection and Resale Agreement between  
United Telephone Company of the Carolinas and Premiere Network Services, Inc.

Dear Mr. Derrick:

The above referenced Master Interconnection and Resale Agreement between United Telephone Company of the Carolinas and Premiere Network Services, Inc. was presented to the Commission for consideration during its Regular Business Session on November 6, 2001.

After consideration, the Commission approved this Agreement since it is consistent with the standards of Section 252 (a) (1) of the Telecommunications Act of 1996 and since it is not discriminatory and is consistent with the public interest in that it promotes competition.

Consistent with previous Commission Orders, the Commission finds that the terms of this Agreement are not to be considered as a precedential standard for other agreements, nor are they binding on any other communications carrier.

Sincerely yours,

David S. Lacoste  
Utilities Department
